Dear Sir:

Pursuant to the provisions of 37 C.F.R. Sections 1.56, 1.97 and 1.98, Applicants identify the U.S. patent documents and non-patent literature documents listed on the attached Patent and Trademark Office Forms PTO/SB/08A and PTO/SB/08B for consideration during prosecution of the subject patent application. Copies of the cited U.S. patent documents are not enclosed herewith. Copies of the cited foreign patent documents and/or non-patent literature documents, if any, are enclosed.

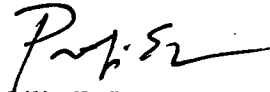

This Statement is filed solely for the purpose of complying with the pertinent rules of the Office and is not intended to be a substitute for an independent evaluation by the examiner of the art cited or an independent search by the examiner, and no representation of any nature is made or intended by the filing of this Statement.

In addition to the art cited on forms PTO/SB/08A and PTO/SB/08B, Applicants and/or their attorneys may have been exposed to or considered additional art relating to the general class of the subject matter of the invention. However, if in fact such

exposure or consideration has occurred, to the best of their recall or judgment, none of such art is prior art which is more relevant than the art cited.

No fee is believed to be due in connection with the filing of this Information Disclosure Statement because it is being filed before the mailing of a first Office Action on the merits.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "P. Levy", with a stylized flourish extending to the right.
